State-Of-The-Art,
Non-Electric,
High Performance
Water Filtering System

Automatically Reduces and Removes:

- Foul Taste
- Poor-Smelling Odors
- Chlorine Chemicals
- Chloramines & Ammonia
- Particulates filtered out down to
5 Microns (that's as small as a
human red blood cell!)

Enjoy Filtered Water at Every Faucet

with a Kinetico Whole House Water Filter

IT'S LIKE A REFRIGERATOR FILTER FOR YOUR ENTIRE HOUSE!

NO COSTLY FILTERS

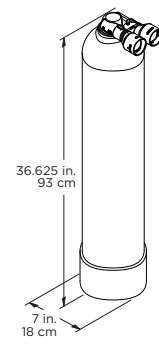

NO EXTRA PITCHERS!

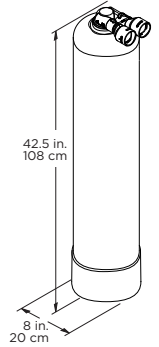

NO NUISANCE ACCESSORIES!

Our Systems cost less to maintain than a refrigerator filter, and our filter media doesn't need to be serviced for several years!

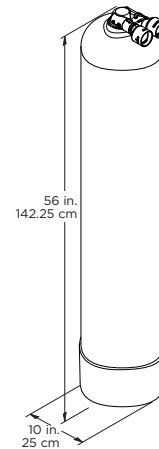

- Eliminates Pitcher & Faucet Filters
- Eliminates Refrigerator Filters
- Brighter, Longer-Lasting Clothing
- Protects Toilet Gaskets from Corroding
- Enjoy Smoother, Softer Skin
- Prevents Dezincification and Pinhole Leaks in Copper Plumbing
- Non-Electric Operation
- Sodium-Free

*Whole house filter systems shown without Superkit Filter.

If you are constantly cleaning unsightly rings and streaks, that's a tell-tale sign that chlorine is causing the rubber toilet tank gaskets and flappers to decay.

Chlorine-free water helps give you the smoothest skin and soft, tangle-free hair.

Washing colored clothes in chlorine-free water keeps your clothes brighter longer.
